7.00pm	STREET RE-OPENS	<ul style="list-style-type: none"> Glenferrie Road officially handed back to council

Bump Out- Pack up Glenferrie Festival 2025

Bump out timeframes are short, so please make sure you start packing up at 5pm so we can meet our timelines. Bump Out for all zones is between 5pm to 7pm.

You will not be able to leave the festival site prior to 5pm

Once it is **5pm** you will be able to start to pack up. Once your pack up is complete you will be able to bring vehicles on the street via Barkers Road, Liddiard Street. All other streets will be closed until **7pm**

- This is a tight time frame so we ask you to assist us with the bump out. This is a community street festival - we can not afford to be paying fines for not having the street ready to hand over to the Council and PTV at 7pm
- Remember at all times that an emergency vehicle must be able to get down the street during Bump Out.
- No cars are to be left unattended at your site during Bump Out
- Speed Limit during **BUMP OUT** is **20 km/per hour** with vehicle's hazard lights on - there will be pedestrians on the street
- **Do not double park** vehicles in front of stalls during Bump Out.
- Remove all rubbish from the site. This event is funded by the Glenferrie Traders Association, if the Event Management determines that you have left your site in an unsatisfactory state at the end of the Festival. i.e rubbish left behind, including but not limited to zip/cable ties left behind, pamphlets or flyers you will be charged **\$850 minimum fee** for cleaning of your site.

Exit points for bump out once your bump out is complete are Burwood Road, or Liddiard Street
